

PRINCIPAL'S CORNER

In my newsletter last month, I described the origins of our new international flag display in the commons and discussed the ways that a school can become a “home.” When students see themselves and their interests represented and valued in the larger school environment, research tells us that they feel safer and find greater success. In my stroll through the Club Fair not long ago, I had the hopeful sense once again that our school was becoming a home when I saw the incredible montage of student activities on display.

Wayland High School has always enjoyed a strong culture of student clubs. However, never before have the offerings been so rich and diverse. From Mock Trial to the Alliance, from the Art Club to Robotics, there truly is a place for everyone. Even more impressive than the sheer volume of clubs is the fact that they are largely conceived and driven by students. While each club requires a faculty advisor to serve as an anchor, student leadership truly steers the ship. Planning fundraisers and events, squaring away logistics, leading meetings, and -- most importantly -- fulfilling a club’s mission are all in the domain of the students.

Those who have an interest that is not represented by our current list of clubs are empowered and encouraged to start their own. Clubs are a meaningful way to bring one’s own unique talents and hobbies into our school culture and to build a community around them. One student who loves badminton, and another who has a talent for needlepoint and knitting, each started a club in order to share their passions with others. Years ago, a group of friends who love Korean pop music and dance began a “K-Pop” club that now performs for student audiences. This year we have at least five new clubs initiated by students, bringing our total number of offerings to over 40.

Athletically-minded students might find a home in our year-old Ultimate Frisbee club. Those who enjoy computer programming may be drawn to our new Coding Club. Those who want to engage in discussions about issues of social justice, and plan such discussions for their peers, may want to check out our Power Club.

Clubs are not just a way to pursue a current interest, but to expand one’s own sphere of skills and awareness. Some students might join the Debate Team not because they are particularly confident and skilled in debate, but because they want to be. Students Against Destructive Decisions (SADD), a national organization that began at WHS in 1981, attracts student leaders who want to support their peers and a healthy school environment. Who wouldn’t want to learn about anime, solving Rubik’s Cubes, or sports analytics? If I had more time, I might join the Sign Language Club to begin learning this important skill.

I am particularly proud of the wide range of service clubs that have always existed at WHS. Our brand new Interact Club supported by the Wayland-Weston Rotary Club is the most recent in a long list of service-related student activities that include Water Warriors (teaching elementary Boston resident students to swim) and Cancer Awareness. Giving to others, deepening one’s own sense of identity, and stretching one’s horizons are the pervasive themes of our club culture at WHS.

Please encourage your student to consider joining one or more clubs at WHS, or just trying one out for size. Getting involved in a club is not only a way to expand one’s interests, but is also a way to find, or create, a home at WHS.

A full list of clubs and relevant information (such as meeting times and locations) will soon be available for students and families to peruse.

Class News

Advisors: Ms. Schmidt & Mr. Schmirer

The Class of 2019 had a memorable first day of high school. Following the Wayland tradition, the seniors ran into the field house while proudly sporting their class shirts. Thanks to Clarissa Briasco-Stewart, Audrey Chen, Allison Leacu, Julia Nuss, and Leon Rader, the rock outside of WHS was painted to showcase the senior slogan: RE19N!

Important events and dates:

- Please come support the Wayland Varsity Football Team as they compete against Bedford on Friday, October 12 from 7pm-9pm and Weston on Thursday, November 22 (Thanksgiving) from 10am-12pm at WHS. Stop by the concession stand where E-board will be selling all of your favorite drinks and snacks! There may be some additional home football games; we'll keep you updated! Money raised will be used to reduce the costs of Senior Week activities.
- On Friday, March 22, 2019 and Saturday, March 23, 2019, the Class of 2019 will run the Senior Show. This is a long-standing tradition at WHS you definitely don't want to miss! Seniors will be rehearsing frequently, especially the week before the show. More details regarding rehearsals and directors (there will be a formal application process before December break) will come soon.
- Once seniors are done with school (as of now, May 24, 2019), E-board will run some activities prior to graduation (Sunday, June 2 at 3pm). There will be a Senior Class Night at Lombardo's on Tuesday, May 28. The next day, Wednesday, May 29, will be the Senior Cruise. Finally, on Thursday, May 30, the class will meet at the WHS Auditorium for Senior Awards Night. This will be the final time the Class of 2019 will be together before graduation. We will provide more information about these senior activities later.

The Class of 2019 has an exciting year planned! If you have any questions, please email me at

**Class of
2020**

Advisor: Mr. Lee Krasnoo

Junior year is well under way and the Executive Board has been busy making plans for the year. The E-board had a very productive evening meeting this week to set a schedule for the fall season. During the meeting several fundraising ideas were suggested which will be used to defray the cost of tickets for our prom in May. We would like to extend many thanks to the Murphy Family for hosting our meeting.

Our first fundraiser of this fall was a Krispy Kreme sale during the last weekend of September. The sale was very successful and we brought in over six hundred dollars in profit! Many thanks to all who supported our efforts and to all members of the class who worked on the sale. We will be having another sale at the end of October.

The E-board is also exploring several other fundraisers including a cookie dough sale and the annual Christmas tree pick-up project. Please keep an eye out for ways to support our class!

We continue to work on the plans for our Prom, which is scheduled for Saturday, May 18. We will work this fall with the Intercontinental on our menu and other details for our big night. We are very excited about this venue! We are also reaching out to companies to get the best price on the coach buses, which will be transporting our students to and from Boston. We will be reminding students that tickets will go on sale during the third week of March and will have to be purchased by April 1. Please help us to reinforce this with your student. We don't want anyone to miss out!

As always, please do not hesitate to contact me with any questions or concerns.

Department and Faculty News

Guidance Department

Marybeth Sacramone, Department Head

...

THE GUIDANCE OFFICE IS CERTAINLY A BUSY PLACE THESE DAYS! WE HAVE OUR NINTH GRADE SEMINARS RUNNING SIMULTANEOUSLY WITH OUR SENIOR SEMINARS THROUGHOUT THE FALL. WE HAVE HELD THREE OF OUR SENOR PARENTS' WORKSHOPS ALREADY, NOT TO MENTION WRITING RECOMMENDATIONS FOR SENIORS MOST NIGHTS AND WEEKENDS. THE GUIDANCE TEAM THANKS YOU FOR YOUR PATIENCE WHEN CALLING AND SCHEDULING TIMES TO SEE US. WITH STUDENTS IN AND OUT ALL DAY, AND COUNSELORS RUNNING FROM SEMINARS TO MEETINGS WITH STUDENTS, TEACHERS, OR PARENTS, IT IS NOT UNUSUAL THAT WE DON'T GET TO ALL OF OUR E-MAILS AND VOICEMAILS EACH DAY. WE DO OUR BEST TO GET BACK TO YOU WITHIN 24-48 HOURS OF YOUR COMMUNICATION WITH US. OUR GUIDANCE ADMINISTRATIVE ASSISTANT, ANN FRATTO, CAN ANSWER LOTS OF QUESTIONS AND SCHEDULE APPOINTMENTS FOR YOU, SO PLEASE CALL HER IF ONE OF THE COUNSELORS IS NOT AVAILABLE AT THE TIME OF YOUR CALL. THANK YOU AND HAVE A WONDERFUL FALL SEASON.

ATTENTION ALL STUDENTS AND PARENTS:

SNACK AND RELAX WEDNESDAYS for students are up and running!

STUDENTS-- Feeling stressed? Need to decompress and learn some mindfulness and meditation techniques? Come join our group on Wednesdays from 1:15-2:15 PM. See your Guidance Counselor if you are interested, or just come to the meeting in room B115.

PARENTS: There is a website that students will be utilizing for Snack and Relax Wednesdays, so feel free to check it out so you can learn about what our students are learning relating to mindfulness and meditation too. Here's the link to the website: [THE SMILING MIND PROGRAM](#)

SOME IMPORTANT SENIOR REMINDERS

- The Guidance Office asks that seniors make their **first** transcript request one month before their first application deadline. We need this lead-time because we often submit upwards of 1,000 records each fall before Thanksgiving. Requesting that first transcript is easy. Once that's done, students can work on the other parts of their applications at their leisure – right up to their deadlines.
- Due to the Thanksgiving and December holidays, seniors with a January 1 deadline must submit transcript requests no later than Tuesday, November 20.
- In addition to students asking teachers to write a recommendation (in person), students will also need to request the recommendation online through Naviance.

Guidance Dept.

...CONTINUED

- Please be aware that many colleges and programs require applicants to have their test scores sent directly from the testing companies to the colleges/programs. *We do not send SAT or ACT scores with the records we send to colleges/programs*, so it is the student's responsibility to send scores to their schools directly from the testing organizations when required. However, there are some schools now that are allowing for students to just self report on the Common Application, and then only if they are admitted, do they ask you to send the scores. So please check with the colleges to investigate if scores need to be sent officially, or simply self-reported.

COLLEGE FAIRS, COLLEGE VISITS AND SCHOLARSHIP ANNOUNCEMENTS

- Juniors and seniors can sign up through Naviance for meetings with college representatives who visit the WHS Guidance Department.
- Students must get written permission from their teacher on the [College Visit Form](#) in Guidance if they will miss class time. Students can access the permission form in the Guidance office or online. Every effort should be made to get a pass a day before the visit and not the morning of. Please do not just email the teacher for permission because we need their signature on the form.
- Scholarship notices will also be available through Naviance. Your son/daughter can sign on to their account anytime and review the past and current postings.

DID YOU MISS THE MEFA FINANCIAL AID NIGHT LAST WEEK?

- Financial Aid Information: In order to receive financial aid from a college or from the Wayland High School Scholarship Committee, students must submit the Free Application for Federal Student Aid Form (FAFSA) any time after October 1, 2018. Log onto <http://www.fafsa.ed.gov>. If you missed the MEFA Financial Aid night last week, resources can be found at MEFA's site at <http://www.mefa.org/>

SAT/ACT PREP – ATTENTION JUNIORS AND SENIORS

- Just a reminder that free online SAT and ACT prep materials are available on Naviance for our juniors and seniors. Just log in to Naviance and click on the Method Test Prep link and follow the prompts. SAT Prep is also available through [Khan Academy](#) via the College Board.

FRESHMAN AND SENIOR "BRAG SHEETS"

- In an effort to know your student best, we ask parents of freshmen and seniors to write us a "brag sheet" about their students. Guiding questions for the [brag sheet is here](#).
- Although counselors will be meeting and getting to know your ninth graders throughout the fall, we would love to hear from you about your child: their strengths, weaknesses, interests, hobbies, and passions -- anything you feel would be important for us to know.
- Parents of seniors, your homework is vital because it may help us to write your son or daughter's recommendation. Feel free to write in a stream of consciousness way, bulleting points or writing full sentences -- e-mail, typed, or hand-written -- we'll take anything! Please know that we often share this information with your child so they know how you see them, too.

EXTENDED TIME ON THE SAT (SSD ELIGIBILITY) AND ACT

- In order to receive extended time on the PSAT, SAT, or the SAT Subject Tests, students and parents must apply for the accommodation through the Services for Students with Disabilities (SSD) eligibility process.
- Any student who is currently on an IEP or 504 Accommodation Plan and receives extended time on tests needs to apply for this SSD eligibility from the College Board. This process must be completed before taking any College Board test. If you have not already begun this process, please speak with your son/daughter's Special Education Liaison (if the student is on an IEP) or to their Guidance Counselor (if the student is on a 504 Plan).
- Similarly, for the ACT, there is a process for getting approved for accommodations. Students cannot apply for accommodations until they are registering for their first ACT. Students are asked to talk with their liaisons (if the student is on an IEP) or their Guidance Counselor (if the student is on a 504) about how to apply for their accommodations before they sign up for their test date.

NON-STANDARD SAT AND ACT ADMINISTRATION INFORMATION

- Just a reminder that students who are entitled to non-standard accommodations due to their disability (i.e., 100% extra time, need for a scribe, etc.), will take their tests over one or two days on a weekend.
- We would ask that if your student is entitled to such non-standard accommodations, that they speak with either their Special Education liaison (IEP students) or their Guidance Counselor (504 students) prior to registering for their next test (SAT or ACT) so they can discuss their accommodations and testing dates.

MID-QUARTER ACADEMIC WARNINGS

- It's that time of the year. We are about midway through the quarter, and teachers will be sending out Academic Warnings starting the first few weeks of October as needed. This is usually in the form of an email to parents/guardians.
- If your child is struggling in a class, the best thing to do is to connect with the teacher directly for help sessions outside of class. The next best thing is to schedule some time in the Academic Center for tutoring help or quiet study time.

GUIDANCE HOURS AND COUNSELOR DROP-IN HOURS

- WHS Guidance continues to offer "counselor drop-in hours" available to parents (by phone) and students (in person) during the school day.
- So, in addition to our administrative assistant, Ann Fratto, at the front desk, a guidance counselor will also be available during the entire lunch block, every day, for general questions and scheduling appointments.
- Please note that these times are reserved for non-personal questions/issues such as basic questions about the schedule, school day, PSAT/SAT/ACT questions, college application questions, transcript request questions, and/or to schedule appointments.
- Just a reminder too that the Guidance Office hours are 7:00 AM through 2:30 PM (doors will be locked and voicemail will be turned on after 2:30) so that counselors can do their best to meet with students and to return emails and phone calls at the end of the day.

The Guidance Corner

Guidance Resources Online

The WHSPO newsletter is a vital communication line between our department and parents/families. Our Guidance Department likes to be sure that we are not only getting you the vital educational information you need, but also other important information through what we call the Guidance Corner. Topics might include issues pertaining to mental health, substance abuse prevention, community service and internship programs. If you have suggestions for topics that you would like to hear about, please [e-mail Marybeth Sacramone](#), the Guidance Department Coordinator.

This month's Guidance Corner is called [Guidance Online](#) because we want to inform you (or remind you) that there is a lot of information and resources available at your fingertips. We are well aware that the busyness of the Guidance Office may sometimes be frustrating for students and families. Sometimes you just need quick information or a resource rather than waiting for an appointment, or an email, or returned phone call. So, first and foremost, we are about to update and hopefully streamline our Guidance website. There's lots of information there to answer your questions - parent resources, grade specific information, information on financial aid, scholarships, internship and gap year programs. We hope you will check it out and please know we welcome all feedback and suggestions for improvement. Here's the link if you feel like surfing around a bit. [WHS Guidance Website](#) Please be aware that our website was just "turned over" to a new provider, and we have not had the necessary time yet to make it look better! Everything is there, but it just isn't as easy to look at as it was in the past! Thank you for your patience.

Second, one of the links on our home page is the link to the [Wayland Cares website](#). Please know this web site also has a wealth of information including resources, information and events for parents on how to keep your student healthy and safe. Please visit the [Wayland Cares website](#), and feel free to get involved. The organization is always looking for more community members.

Third, we are lucky to have a tremendous resource for our students and families throughout [Wayland Youth and Family Services](#) office (WYFS). Services offered by WYFS include individual and family counseling, parent groups, and outreach services and programs to support the emotional health and wellness of your children and family. All services are free to Wayland residents. In addition to the information on their website, feel free to call their office at 508-358-4293.

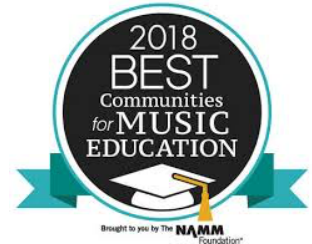

Fourth, over the past few years, we have been asked to provide a variety of resources on our website for the times that no one is available at school. For a variety of resources including emergency hotlines, please visit the [social and emotional support resources and hotlines](#) on our Guidance website.

And lastly, WHS Guidance is on Twitter. From time to time, we will be posting interesting articles, important information, and simple but brief announcements. Please follow us on twitter at [@WaylandGuidance](#).

Thanks in advance for checking out our web resources. As always, we welcome your feedback.

Fine Arts Dept

Susan Memoli, Department Head

The WHS Fine Arts Department is up and running with a great sense of energy, collaboration and creativity!

Our Honors Choral, Sinfonia and Wind Ensemble will be traveling to the Wayland Elementary Schools to perform outreach concerts on Friday, October 12. This is a wonderful opportunity to share our accomplishments and skills with the community and inspire the next generation of great Wayland musicians.

The WHS and WMS Orchestras will come together to perform their 17th Annual Masquerade Concert on Tuesday, October 23, 2018 at 7:30pm in the WHS Auditorium. Come and enjoy the sights and sounds of the season!

Speaking of accomplished musicians, congratulations go out to Andy Wang. Andy was selected from a highly competitive pool of national applicants for membership into the 2018 NAFME All National Honor Choir. He will travel to Orlando, FL in November to participate in rehearsals and a culminating performance with top level choral musicians from all over the United States. Congrats, Andy and thank you for representing Wayland at this prestigious event!

Wayland High School's Fine Arts Department was generously granted a new Metalworking studio this summer! Visual Arts teacher Amy O'Connell had hopes of transforming her classroom space to better suit the heavy tools, hammering, and flow of her Metals I and Advanced Metals courses. She designed 2 custom wood tables, and collaborated with Massachusetts carpenter David Tetreault, who brought the vision to life. Students now have individual work stations, better lighting, and are working in collaboration with their peers in the new studio space. Thank you WPSF!

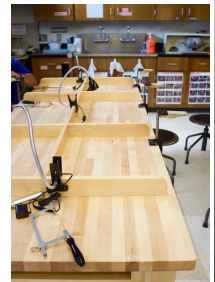

The Wayland High School Theater Ensemble is excited to present a student-faculty production of *You're A Good Man, Charlie Brown*. Yes! -- Over 20 student and a dozen faculty and staff members round out this cast of memorable Peanuts characters, created by Charles Schultz.

With over 50 students involved in total, it is sure to be a wonderful community event for all families! Tickets are \$15 for Adults and \$10 for Students/Senior Citizens, and are available at showtix4u.com.

Performances are Friday, November 16 at 7:30pm; Saturday, November 17 at 7:30pm; and, Sunday, November 18 at 2:00pm. Contact Aidan O'Hara at aidan_ohara@wayland.k12.ma.us with any questions! Hope to see you there!

Here's to another great year of growth and achievement in the Fine Arts at WHS! A few spring semester course offerings still have space. Contact your Guidance Counselor to register.

This year, we welcome a couple of new faces to the department. Our new physics teacher, Laura Kreutter, comes to us after teaching high school physics in New Jersey for 7 years. As many of you know, Heidi Friedlander is taking a year to spend time with her new baby; Luckily, Wayland native Julie VanRooyen is helping us out during her leave by picking up two freshmen classes. We're all on track for another exciting year with our students!

CAPA seeks to support the Fine Arts at Wayland High School through grants for enrichment, support to the teachers, activities such as master classes, field trips, Fine Arts Awards Night, Fine Arts jackets, College A Cappella concerts, bottle and can drives, and special projects.

Our second meeting of the Year is:

Tuesday, October 9, at 7:30 PM -- WHS Media Center

Time to donate your refundable bottles and cans-- The CAPA Bottle and Can Drive is coming!

This is a fun and high-spirited event and volunteers are always appreciated for their service! The Bottle and Can Drive is a significant fund-raiser for the Wayland High School visual and performing arts programs and CAPA needs your refundable cans and bottles more than ever! High School student volunteers will receive community service hours to use toward their graduation requirements. Contact CAPA at Contact@WHSArts.org for more information on how to volunteer. Please help us to support the Arts in our school!

We are seeking someone to help us store Bottle & Can Drive equipment in their garage. It's easy and rewarding to help fund the arts at WHS in this simple way. Please contact Andrea Bonney Gould at Contact@WHSArts.org to learn more.
