WHSPO WISH LIST APPLICATION
2019

The Wayland High School Parent Organization (WHSPO) is pleased to announce the new 2019 Wish List program, and encourages each of you to think about how you could use Wish List funds to further enrich the high school experience for our students. Wish List was created to supplement the Mini-Grant Program by making funds available to support programs both inside and outside the standard classroom or curriculum. The funds are available to teachers, staff and clubs with innovative ideas that have the potential to impact large numbers of students both during and after school.

Grant guidelines, deadlines, and application are below:

-Any WHS faculty or staff member may submit an application. Teacher Advisors, in coordination with student club leaders, should submit applications on behalf of clubs.

- Funds are typically for items not funded through the school budget.

- Grant monies should be used to:

> Support school clubs and programs
> Enhance classroom instruction
> Fund programs/materials that may enhance different learning styles
> Support teaching innovation in the classroom
> Enrich the high school experience for students
> Purchase materials that are non-consumable and that have multi-year benefit

The Wish List program is intended to support projects that do not fall within the Mini-Grant parameters. Please complete this form by **Friday, January 18th** and return to Maria McGrath.

You will be notified by **Friday, February 1**.
